Lorenz Bus Service Named Winner Of The Knot Best Of Weddings 2026

20th Annual Best of Weddings Awards Recognizes Top Wedding Professionals Across U.S.

MINNEAPOLIS – ST. PAUL, MN / January 22, 2026 — Lorenz Bus Service is pleased to announce that it has been selected as a 2026 --winner of [The Knot Best of Weddings](#). This marks the sixth year Lorenz Bus Service has been named as The Knot Best of Weddings award winner. This accolade represents the top local wedding professionals as reviewed by real couples on [The Knot](#), a leading all-in-one wedding planning resource offering a comprehensive suite of digital tools to help couples throughout their planning journey.

In its twentieth annual year, The Knot continues its long-standing tradition of supporting the expertise and outstanding service of local wedding professionals with The Knot Best of Weddings 2026. As a trusted source for couples searching for top wedding vendors across the country, this prestigious award honors those vendors on The Knot deemed by couples as reliable, dependable and consistently delivering quality service.

To determine the winners, The Knot assessed thousands of user reviews for 200,000+ wedding professionals within its Vendor Marketplace across various categories—planners, venues, officiants, musicians, DJs, florists, photographers, caterers, hair and makeup artists and more—to find the top vendors of the year. Vendors who have received at least 7 reviews on The Knot with an average score of 4.5+ in 2025 received The Knot Best of Weddings Award. These winners represent the top wedding professionals that best embody what matters to couples in their wedding planning journey.

The Knot supports local wedding professionals through [The Knot Vendor Marketplace](#), where couples can search, compare and connect to book any of the hundreds of thousands of local wedding professionals across the country all in one place. Each vendor Storefront features insightful reviews, real wedding photos, and details about the vendor and their services.
